ACADEMIC APPOINTMENTS & PROFESSIONAL EXPERIENCE

[UNIVERSITY OF CONNECTICUT, SCHOOL OF SOCIAL WORK](#), Hartford, CT

Assistant Research Professor

August 2021-Present

Carry out the administration of the University of Connecticut School of Social Work Performance Improvement Center (PIC) and its related research projects. Responsibilities include; serving as the Co-Principal Investigator/Principal Investigator on PIC Grants; engaging with other faculty to produce scholarship related to PIC work.; engaging students at all levels in PIC projects as paid staff, graduate assistantships, or other types of internships; providing ongoing monitoring and review of program fidelity, capacity, cultural relevance, and program implementation; maintaining current funding and seeking out and securing additional extramural funding to augment and sustain the project; and coordinating PIC's efforts to translate evaluation findings to practice.

Research Associate III: Co-Principal Investigator/Project Director

February 2015-August 2021

Manage and carry out analysis protocols for a large scale, multi-year grant with the DCF to evaluate multiple aspects of their practice. Responsibilities included: developing a system of qualitative review, program fidelity assessment, and outcome indicators to improve service delivery and monitor program performance; Translating evaluation findings to practice; supervising a staff of data analysts, research assistants, and work study students to effectively execute data analyses and reporting; and providing ongoing monitoring and review of program fidelity, capacity, cultural competence, and program implementation.

Adjunct Faculty

January 2019-December 2021

Courses taught: MSW level Advanced Research: Program Evaluation and Program Planning, Development and Evaluation; and Program Planning, Development and Evaluation.

[SOUTHERN CONNECTICUT STATE UNIVERSITY](#), New Haven, CT

Assistant Professor

August 2017 – May 2018

Special appointment. Teaching assignments included Social Welfare Institutions and Policies I & II, Social Work Practicum III and Capstone Proposal, and Social Work Research Methods. Faculty committees include Policy Sequence, BSW Core, and Graduate Admissions.

Adjunct Faculty

September 2016-2019

Courses taught: BSW level Social Welfare Institutions and Policies I & II and Social Work Research Methods.

ANNIE E. CASEY FOUNDATION, New Haven, CT**Senior Research Associate****2008 – 2012**

Designed and implemented concurrent program evaluations and other complex research projects. Directed the activities of external research groups, designed and managed research databases and qualitative and quantitative survey materials. Translated findings into actionable plans and initiatives resulting in increased program effectiveness.

- Designed, implemented, and disseminated results of mixed method study to assess the effectiveness and model fidelity of a time-limited intensive reunification program resulting in increased program effectiveness and better model fidelity.
- Established a proxy measure to assess risk of child welfare involvement which assessed the effectiveness of a placed-based prevention program.
- Directed the work of external research group to measure the extent of kinship diversion practice present in jurisdictions; assisted localities in understanding and improving their practice.
- Developed and delivered presentations at national conferences on research to translate findings into actionable plans and initiatives to increase the effectiveness of current and future programs.

EASTERN CONNECTICUT STATE UNIVERSITY, Willimantic, CT**Adjunct Faculty****Fall 2012**

Courses taught: BSW level Social Welfare Policy.

UNIVERSITY OF CONNECTICUT, SCHOOL OF SOCIAL WORK, West Hartford, CT**Consultant****2012**

Wrote a successful federal grant proposal in partnership with the Connecticut Department of Social Services for state innovations to improve the Temporary Assistance for Needy Families (TANF) Program.

Adjunct Faculty**2002 – 2007**

Courses taught: Macro Foundation Practice, Human Behavior in the Social Environment - Macro Theories, and Foundations of Social Work Practice I & II.

Research Assistant**2003 – 2005 / 2006 – 2007**

Assisted in the management and execution of a federally supported research project, "Sexual Identity and Drinking: Developmental and Cohort Risks," funded by National Institute of Health / National Institute of Alcohol Abuse and Alcoholism (NIH / NIAAA).

- Conducted data analysis (including writing syntax), created a data management system, developed project reports, and coordinated human subjects' compliance with UConn's Institutional Review Board.
