❑ Communicate Student Concerns Promptly – Who to Contact When?

- **In the event of an emergency, contact 911.**
- For student concerns that are not emergencies, please email the student's advisor early on when the situation arises.
- You would contact a student's advisor in the event of concerns such as frequent absence, repeated lateness, late papers or frequent requests for extensions, lack of communication (e.g., no response to emails) and/or other unprofessional behavior, health or mental health concerns and/or disclosure of difficulty related to basic needs (housing, food, etc.).
- To find out who a student's advisor is, contact Chelsea.Lebon@uconn.edu, Rachel.Schwartz@uconn.edu (for MSW students), or Paula.Nieman@uconn.edu (for BSW students).
- If the advisor is not responsive or if the problems continue, email the appropriate Program Director.

❑ Procedure for Cancelling a Class

- Instructors should email their students directly through [Student Admin](#) or [HuskyCT](#) to notify them prior to class of any class cancellations.
- Notify [OSAS](#) (preferably by email: sswstudentservices@uconn.edu), as well with the cancelled class name, date, time and building/room number. Please include/cc Chelsea.Lebon@uconn.edu and the appropriate Program Director on this email to OSAS.

EPAS EVALUATIONS

❑ EPAS Evaluations

- To ensure the School of Social Work is teaching according to the standards of our accrediting body, Council on Social Work Education, **instructors teaching method and foundation (non-elective) courses are required to complete a quick spreadsheet evaluating their students at the end of the semester.** These spreadsheets are due to chelsea.lebron@uconn.edu by the final grade submittal date of each semester. You will receive your spreadsheet and instructions toward the end of the Fall/Spring semester.
