CURRICULUM VITAE

JENNIFER I. MANUEL, PHD, LMSW
UConn School of Social Work
38 Prospect Street
Hartford, CT 06103
jennifer.manuel@uconn.edu

EDUCATION

2008	**Ph.D.** in Advanced Social Work Practice (*awarded with distinction*), Columbia School of Social Work, New York, NY
2000	**M.S.** in Advanced Clinical Social Work Practice, Columbia University School of Social Work, New York, NY
1998	**B.S.** in Social Work (Second Major: Criminal Justice), Texas Christian University, Fort Worth, TX

POSTDOCTORAL TRAINING

2024	**Trainee**, *Management Development Program*, Harvard Graduate School of Education. Boston, MA.
2024	**Trainee**, *Leadership Forum by Transformative Leadership Strategies*, University of Connecticut, Storrs, CT.
2015	**Scholar**, *Inaugural NIMH Mixed Methods Research Training Program for the Health Sciences,* Johns Hopkins and Harvard Universities.
2014	**Trainee**, *Technical Assistance Grants Workshop and Consultation Clinic*, NIH Dissemination and Implementation Conference, Washington, DC.
2009-2011	**Assistant Professor of Clinical Psychiatric Social Work**, Department of Psychiatry, Columbia University, New York, NY
2009	**Junior Faculty Fellow**, Travel award to present at the NIAAA-sponsored R13 conference entitled *Toward Optimal Treatment for Schizophrenia and Co-Occurring Alcohol Use Disorder*, Dartmouth Medical School
2008	**Junior Faculty Fellow**, Travel award to participate in the Summer Institute on Health Services Research: Cross-Systems Research to Improve Health Outcomes, NIH Office of Behavioral and Social Sciences Research

ACADEMIC POSITIONS & APPOINTMENTS

2025-	**Professor (with tenure)**, University of Connecticut School of Social Work, Hartford, CT
2022-	**Associate Dean for Research**, University of Connecticut School of Social Work, Hartford, CT
2022-	**Associate Professor (with tenure)**, University of Connecticut School of Social Work, Hartford, CT

2021-2023 **Co-Director, New York City Communities for Health (NYCC4H)**, Silver School of Social Work, New York University, New York, NY

2018-2022 **Associate Professor (with tenure)**, Silver School of Social Work, New York University, New York, NY

2016-2022 **Co-Investigator** and **Executive Board Member**, Substance Abuse Research Education and Training, Grossman School of Medicine, New York University, New York, NY

2016-2022 **Director, New York State Office of Mental Health Evidence-Based Project,** Silver School of Social Work, New York University, New York, NY

2014- **Senior Investigator**, Center for Drug Use and HIV Research, College of Global Public Health, New York University, New York, NY

2014-2018 **Assistant Professor (tenure track)**, Silver School of Social Work, New York University, New York, NY

2011-2014 **Assistant Professor (tenure track)**, School of Social Work, Virginia Commonwealth University, Richmond, VA

2011-2014 **Faculty Affiliate**, Institute for Women's Health, Virginia Commonwealth University, Richmond, VA

2011-2014 **Faculty Affiliate**, Institute for Drug and Alcohol Studies, Virginia Commonwealth University, Richmond, VA

ADMINISTRATIVE & ACADEMIC LEADERSHIP EXPERIENCE

2022- **Associate Dean for Research**, Office of Research & Scholarship, University of Connecticut School of Social Work, Hartford, CT

Major Responsibilities

- Oversee UConn SSW's research and scholarship portfolio.
- Direct the operations of the Office of Research & Scholarship and supervise a full-time Grants & Contracts Specialist, a half-time Administrative Support Staff, and a half-time Administrative Support student worker.
- Provide leadership in the development of policies and priorities for research within UConn SSW.
- Support faculty in developing and submitting grants in compliance with federal, state, or foundation guidelines. Work with the Dean's Office to plan annual and long-term research priorities.
- Promote exchange and sharing of ideas by organizing internal and external research seminars, workshops, and networking opportunities.
- Evaluate and plan for current and anticipated resource needs to support faculty and student research development.
- Develop and sustain relationships with our CT State agency partners, including the Department of Mental Health and Addiction Services, Department of Children and Families, Judicial, and Office of Early Childhood.

- Advise faculty on strategies for seeking internal and external research funding. Review faculty and student grant proposals, and provide advice and technical assistance on their conceptual, methodological, and substantive content.
- Promote and facilitate interdisciplinary research opportunities between UConn SSW, and other schools, departments, and centers.
- Assist faculty in forming successful collaborative research groups that integrate and support individual, community-based, and team-based programs of research.
- Serve as a member of the UConn Research Deans Council. Serve as a liaison between UConn SSW and the Office of the Vice Provost for Research.
- Serve as primary liaison with external sponsors and collaborators, including federal, state, and local funding agencies, and foundations, to act as a conduit connecting faculty to potential funding opportunities.
- Reduce administrative burden on faculty, students, and research staff by providing support on issues related to human subjects and the IRB process, data use agreements, and memorandums of agreement.
- Create and facilitate research socialization activities for SSW PhD students in collaboration with PhD Program Directors.
- Chair a monthly Research Development & Policy Committee to set short -and long-term objectives and hold the Office of Research & Scholarship accountable.

2021-2023 **Co-Director, New York City Communities for Health (NYCC4H)**, Silver School of Social Work, New York University, New York, NY

Co-led the operations of a federal grant-funded multilevel program to prevent substance misuse and HIV risk among marginalized youth and young adults and their families in priority NYC communities disproportionately impacted by HIV, drug overdoses, and associated drivers of disparities. Specifically responsible for overseeing the implementation and developing the evaluation plan of multilevel interventions, including: 1) (individual level) Screening, Brief Intervention, and Referral to Treatment among youth and young adults indicated for substance misuse and HIV risk; 2) (family level) evidence-based parent education sessions; and 3) (community level) community health fairs, naloxone and fentanyl test trainings, and a social media campaign.

2016-2022 **Co-Investigator** and **Executive Board Member**, Substance Abuse Research Education and Training (SARET), Grossman School of Medicine, New York University, New York, NY

Served as a member of the executive board, which provided oversight and direction of a NIDA-funded R25 interdisciplinary training program for graduate students interested in substance use research and education. Developed, implemented, and led the mentorship development program for participating SARET students and visiting mentors. Mentored students in conducting independent research and advised visiting mentors in developing substance use research training infrastructures at their home institutions. Designed the adaptation process and evaluation plan of an online

substance use research education program for the R25 competing renewal application.

2016-2022 **Director, New York State Office of Mental Health Evidence-Based Project,** Silver School of Social Work, New York University, New York, NY

Served as the Principal Investigator and Director of the Evidence-Based Mental Health Project, a field learning opportunity funded by the New York State Office of Mental Health and housed within the NYU Silver. This Statewide project was designed to prepare MSW students to enter a changing workforce that focuses on evidence-based practices for individuals diagnosed with a serious mental illness. Led information sessions and recruited and selected students through a competitive application process. Organized a bi-monthly seminar series, served as the course lead for the evidence-based practice in mental health course, and advised students in the participating program. Coordinated with directors of participating schools of social work to update the primary syllabus to include content and readings related to anti-racism and anti-oppressive mental health practice.

2017-2019 **Co-Director,** Social Justice & Diversity Initiatives, NYU Silver School of Social Work

Co-led social justice and diversity initiatives at NYU Silver. Co-created the Social Justice Praxis Committee to serve as a catalyst for development, implementation, and assessment of a comprehensive strategy and tactics of action to address social justice, equity and inclusion at NYU Silver. Co-created a rapid response strategy to address time-sensitive tragedies involving police shootings, discriminatory and harmful policies (e.g., immigration, health care, gender identity), and other forms of structural racism and oppression and communicate with the broader school community in a timely manner. Co-facilitated listening sessions with faculty, staff, and students on challenges and strategies to address systemic racism and oppression at NYU Silver.

ACTIVE GRANTS

Lead Evaluator
Project Champion
Substance Abuse and Mental Health Services Administration
This project will provide effective substance use prevention services focused on underage drinking, cannabis, and opioids to residents of the communities served by three local health departments/districts in Connecticut. The primary goals of Project CHAMPION focus on: (1) community infrastructure and capacity building, (2) localized training and lifespan service provision, and (3) public health policy advocacy to strengthen prevention-focused social norms.
Duration: 09/2025 – 09/2030
Total Award: $2,125,000
10% FTE
PI/Project Director: Lu

Lead Evaluator
SBIRT PATHS Initiative
Substance Abuse and Mental Health Services Administration

The proposed project will establish four hubs across the State of Connecticut to expand substance use screening to youth aged 12-21 years; implement brief intervention, wraparound care coordination, and referral to outpatient treatment to indicated youth; and ensure services are equitable and tailored to underrepresented youth in service delivery settings.
Duration: 09/2024 – 09/2029
Total Award: $995,000
10% FTE
PI/Project Director: Lu

Lead Evaluator
Connecticut Treatment Expansion and Enhancement
Substance Abuse and Mental Health Services Administration
The Connecticut Treatment Expansion and Enhancement (CT-TREE) initiative will enhance comprehensive treatment, early detection and intervention, and recovery support services for transitional aged youth (TAY) ages 16-25 in eastern Connecticut with substance use disorders (SUD). The primary goal is to ensure TAY experience well-coordinated and integrated behavioral health services to achieve optimal health and wellness.
Duration: 09/2024 – 06/2025
Total Award: $545,000
10% FTE
PI/Project Director: Lu

GRANTS COMPLETED

CTI Implementation Consultant
Structurally Competent Critical Time Intervention for Transgender and Gender Diverse Patients
National Institute on Minority Health and Health Disparities
The proposed R01 will adapt Critical Time Intervention, a case management program originally developed for persons with serious mental illness transitioning from institutions into communities, to ameliorate the disparities that impede the full integration of transgender people into healthcare and support systems.
Duration: 12/2024 – 12/2025
Total Award: $1,987,848
5% FTE per year
PI: Willging

Principal Investigator
A National Survey of Treatment Access and Engagement Among Providers and Youth during the COVID-19 Pandemic
National Council of Mental Wellbeing
Centers for Disease Control and Prevention
Grant No. NU38OT000318
Duration: 05/2022 – 12/2023
5% FTE
The major goal of this subcontract is to conceptualize and lead the qualitative and qualitative analyses of existing survey and interview data with substance use treatment providers and youth during the COVID-19 pandemic.

Principal Investigator (in-kind; NYU)
Co-Principal Investigator (in-kind; UConn)
Fentanyl Community Engagement and Test Strip Distribution Initiative in New York City
Fund for Public Health in New York
Duration: 01/2021 – 09/2023
Total Award: $80,000
In-kind Effort: 5% FTE
The major goals of this project are to: 1) Increase awareness of fentanyl; 2) increase the proportion of individuals trained to prevent and respond to an overdose; 3) increase access to FTS among persons who use drugs and their social networks (e.g., family and friends); and 4) reduce overdose-related drug use behavior.
Multiple PI: Keene

Principal Investigator/Project Director (NYU)
Subaward Principal Investigator (UConn)
Community Coalitions for Youth and Family Wellbeing
Substance Abuse and Mental Health Services Administration
Grant No. 1H79SP081451-01
Duration: 07/2021 – 09/2023
Total Award: $900,000 (15% FTE, 2021-2022)
UConn Subaward: $16,829 (5% FTE, 2022-2023)
Underage drinking and opioid use represent urgent national prevention priorities. The project seeks to implement and evaluate the impact of a community-wide evidence-based alcohol and opioid prevention program in the country's poorest congressional district and 'hotspot' for underage drinking and opioid overdoses in NYC. Project activities at the individual, family, and community level are designed to saturate the target community and achieve sustained long-term change.
Multiple PI/PD: Keene

Lead Evaluator (in-kind)
VirtualTrax Program
Road Recovery
Office of Juvenile Justice and Delinquency Prevention
Duration of Project: 2021-2022
In-kind Effort: 5% FTE
The goal of this project is to examine the feasibility, acceptability and preliminary outcomes of the VirtualTrax Program, which involves virtual peer support 'check-in' meetings and creative workshops providing teaching moments for young adults at risk for addiction and mental health concerns.

Principal Investigator
Evidence-Based Practice in Mental Health Project
New York State Office of Mental Health
Duration of Project: 2016-2022
Total Award: $40,000 per year
The goal of this project is to design and implement an overall workforce development plan that strengthens and builds the knowledge and skills of New York's mental health workforce to deliver evidence-based treatment and services

Co-Investigator
Substance Abuse Research Education and Training (SARET)
2R25DA022461-10 (Gourevitch)
NIH/NIDA
Duration of Study: 06/2012 – 05/2022
Total Award: $1,875,026
5% FTE
The primary goal of this initiative is to design, implement and evaluate a substance abuse research training program for trainees in the fields of medicine, nursing, dentistry and social work that will stimulate participants' interest in pursuing careers in drug abuse research. Learners, motivated by their participation in this curriculum will be offered participation in a broad range of NIDA-funded research opportunities, fostering research engagement with a seasoned mentor.

Principal Investigator
Intervention for Persons with Co-Occurring Disorders Leaving Residential Tx
1K01DA035330-01A1
National Institute on Drug Abuse
Duration of Study: 5/2014 – 12/2020
Total Award: $773,106 (80% FTE)
This research uses participatory planning methods to adapt and implement an established, nationally-recognized intervention, Critical Time Intervention, for a new population and setting among individuals vulnerable to relapse following residential substance abuse treatment.

Principal Investigator
Organizational Factors and Decision-Making in Adopting Evidence-Based Practices in Substance Abuse Treatment
University Research Challenge Fund
Provost Office, New York University
Duration of Study 2015-2017
Total Award: $15,000
The primary aim of this research examines system factors, organizational characteristics, and leadership and staff attributes associated with the adoption of innovations and evidence-based services in residential and outpatient substance abuse treatment.

Principal Investigator
Using Mobile Phone Technology to Assess Substance Use Outcomes and Promote Recovery
NYU Silver Seed Grant Opportunity
Duration of Study: 2017-2018
Total Award: $18,995
This study uses participatory planning and mixed methods to pilot test and refine an existing smartphone application, Addiction-Comprehensive Support System (A-CHESS), to inform the development of theory-based, just-in-time adaptive interventions to assess substance use outcomes and promote recovery.

Co-Investigator
Implementing SBIRT in Community Mental Health Programs
National Council of Behavioral Health
Duration of Study: 2017-2018

Total Award: $15,000 (10% FTE)
The study aims to examine the feasibility and implementation of SBIRT in community mental health programs targeting youth and young adults.
PI: Stanhope

Co-Investigator
Building a Model of System-Wide Change for Transition Age Youth
New York City Council
Duration of Study: 2017-2018
Total Award: $167,000 (10% FTE)
The study aims to improve our understanding of how to assist youth in transition achieve independence within the complicated systems of care that exist to help them.
PI: Munson

Principal Investigator
Community Reentry Following Residential Substance Abuse Treatment
VCU Presidential Research Incentive Program
Duration of Study: 2012-2014
Total Award: $50,000
This study assessed the role of substance abuse and mental illness among women and men transitioning from residential treatment into the community, examined the provision of social support in the reentry process, and explored strategies to strengthen and sustain their community connections and access to formal and informal helping resources.

Principal Investigator
Understanding Engagement in the Program of Assertive Community Treatment
Institutional Support, VCU School of Social Work Internal Funding
Duration of Study: 2012-2014
Total Award: $10,000
This mixed methods pilot study explored the concept of engagement in PACT services and identified factors associated with engagement.

Principal Investigator
Access to Mental Health Services for Co-Occurring Mental Health and Substance Use Disorders
National Institute of Health Loan Repayment Program for Clinical Research
Duration of Study: 2010-2014
Total Award: $80,000
During the loan repayment period, research activities focused on developing empirical knowledge on service delivery and access among persons with mental health and substance use disorders, as well as developing skills in advanced statistics.

Principal Investigator
Web-Based Program to Promote Consumer Knowledge of Antipsychotic Medications
Policy Scholar Award, New York State Office of Mental Health
Duration of Study: 2011-2012
Total Award: $35,840
This study developed and piloted tested a consumer web-based program to increase awareness and understanding of clozapine and other antipsychotic medications among consumers.

Principal Investigator
Temporal Patterns of Outpatient Service Use, Medication Adherence, and Psychiatric Hospitalization among Individuals with Co-occurring Disorders
Policy Scholar Award, New York State Office of Mental Health
Duration of Study: 2007-2008
Total Award: $15,104
The overall goal was to examine psychiatric medication adherence and service use patterns using data from a 3-year randomized controlled trial of integrated mental health and substance abuse treatment for 198 individuals with co-occurring severe mental illness and substance use disorders.

Predoctoral Fellow
T32MH014623
National Institute of Mental Health National Research Services Award
Duration of Study: 2005-2007
The overall goal was to support interdisciplinary research training essential for future social work scholars in mental health services research.
PI: Mullen

NOT AWARDED

Principal Investigator
RISE CT: Rural Innovation & Support for Empowering Connecticut's Youth
DHHS/Health Resources and Services Administration
The University of Connecticut (UConn) School of Social Work (SSW) proposes the RISE CT (Rural Innovation & Support for Empowering Connecticut's Youth) program to create innovations in youth-focused and peer-driven behavioral support in the most rural, underserved parts of the state of Connecticut. Working alongside multiple Network Partners who are based in northeastern and northwestern areas of the state, RISE-CT will offer and encourage behavioral health career paths for youth in rural communities and, ultimately, improve access to behavioral health care in rural areas of the state.
Duration: 4/2025 – 3/2028
Total Award: $1,194,443
25% FTE per year

Principal Investigator
Community-Engaged Research to Evaluate Connecticut Head Start on Housing
U.S. Department of Housing and Urban Development
Total Award: $991,029
The proposed project is a collaboration between the University of Connecticut, the National Center for Housing and Child Welfare, Connecticut Department of Housing, Office of Early Childhood, Head Start State Collaboration Office, and other partners, to design and implement a community-engaged mixed methods research study to evaluate the implementation and outcomes of the Connecticut Head Start on Housing Initiative, with a particular focus on the effectiveness of new housing and homelessness resources made available under the American Rescue Plan Act of 2021. The project focuses on a specific, marginalized population of people experiencing homelessness in Connecticut—low-income families with young children—and explores their unique housing and service needs through a lens of racial equity.

Principal Investigator
HERE to Stay
Substance Abuse and Mental Health Services Administration
Submitted February 2022
Total Award: $1,500,000
The proposed SP-22-001 Harm Reduction Program Grant will implement and evaluate a mobile, peer-led approach to promote positive change in opioid overdose, substance misuse, and infectious disease prevention and service navigation in high-need catchment areas of NYC.

Multiple Principal Investigator
Towards Ending the Revolving Door Phenomenon: Intervention to Reduce Relapse for Persons with Severe Mental Illness after Psychiatric Hospitalization in South Africa
National Institute of Mental Health
Submitted October 2019
Total Award: $531,879
The proposed R34 research seeks to adapt and pilot test the internationally-recognized, evidence-based Critical Time Intervention in order to reduce psychiatric re-hospitalization among individuals with severe mental illness in South Africa.

Principal Investigator
Using Mobile Phone Technology to Assess Patient-Reported Outcomes and Promote Substance Abuse Recovery
Patient-Centered Outcomes Research Institute
Submitted November 2015
Total Award: $903,311
The primary aim of this study is to evaluate the feasibility and acceptability of the adapted ACHESS program with individuals following residential substance abuse treatment.

HONORS & AWARDS

2024-	**Fellow**, Society for Social Work and Research Fellowship Program.
2016	**Above and Beyond Award Recipient**, Silver School of Social Work PhD Program, New York University.
2015	**Paulette Goddard Junior Faculty Fellow**, New York University.
2015	**Scholar**, *NIMH Mixed Methods Research Training Program for the Health Sciences,* Johns Hopkins and Harvard Universities.
2014	**Trainee**, *Technical Assistance Grants Workshop and Consultation Clinic*, NIH Dissemination and Implementation Conference, Washington, DC.
2009	**Junior Faculty Fellow**, Travel award to present at the NIAAA-sponsored R13 conference entitled *Toward Optimal Treatment for Schizophrenia and Co-Occurring Alcohol Use Disorder*, Dartmouth Medical School
2008	**Junior Faculty Fellow**, Travel award to participate in the Summer Institute on Health Services Research: Cross-Systems Research to Improve Health Outcomes, NIH Office of Behavioral and Social Sciences Research

2008 **Doctor of Philosophy Dissertation Distinction Award**, Columbia University School of Social Work

1998 **Student of the Year Award**, Texas National Association of Social Workers

1998 **Howard Payne Service Award**, Texas Christian University

1997 **Emerging Leader Award**, Texas Christian University

1997-1998 **Member, Alpha Delta Mu**, National Social Work Honor Society

1997-1998 **Member, Alpha Phi Sigma**, National Criminal Justice Honor Society

RESEARCH EXPERIENCE

2008-2011 **Postdoctoral Research Scientist III**, Department of Psychiatry at Columbia University and New York State Psychiatric Institute, New York, NY (Mentors: Drs. Susan Essock, Molly Finnerty, and Scott Stroup)

2007-2009 **Research Consultant**, New York Academy of Medicine, New York, NY (Mentor: Dr. Edward Mullen)

2005-2008 **Predoctoral Research Fellow**, Department of Psychiatry at Columbia University and New York State Psychiatric Institute, New York, NY (Mentor: Dr. Daniel Herman)

2005-2008 **Research Assistant**, Columbia University School of Social Work, New York, NY (Mentors: Drs. Edward Mullen and Allen Zweben)

2004-2007 **Research Scientist II**, Columbia University Department of Psychiatry, New York State Psychiatric Institute, New York, NY (Supervisor: Dr. Susan Tross)

2001-2006 **Research Associate (2001-2004), Consultant (2004-2006)**, Social Intervention Group, Columbia University School of Social Work, New York, NY (Supervisor: Dr. Nabila El-Bassel)

1999-2001 **Research Project Manager**, Intersystems, Columbia University School of Social Work, New York, NY (Supervisor: Dr. Steven Schinke)

POST-MSW PRACTICE EXPERIENCE

2004-2006 **Study Clinician**, Project Worth, NIDA Clinical Trials Network, Long Island Node, New York State Psychiatric Institute, New York, NY

2003-2004 **Group Facilitator and Case Manager**, Women's Wellness Project, Social Intervention Group, Columbia University School of Social Work, New York, NY

2000-2003 **Social Worker (2000-2002)**, **Social Work Supervisor (2002-2003)**, Weekend Supervised Visitation Program, New York Society for the Prevention of Cruelty to Children, New York, NY

2000-2001 **Social Worker**, Residential Care Center for Adults and Safe Haven Shelter, Project Renewal, New York, NY

OTHER PRACTICE & VOLUNTEER EXPERIENCE

1999-2000 **Social Work Graduate Intern**, Creedmoor Psychiatric Institute, Queens, NY

Implementing Evidence-Based Practices (DSW-level)
Social Work Practice Research (DSW-level)
Undergraduate Independent Studies (1 total; Jessica Mar)
MSW Independent Studies (8 total; Aysha Aliyar, Jordan Conrad, Alexandria Hatcher, Joseph Hudson, Stephanie Jimenez, Morgan Leon, Alaphia Robinson, Kristin Torres)
DSW Independent Studies (3 total; Jessica Chock-Goldman, Maddy Ellberger, Jan Roberts-Rudinski)
PhD Independent Studies (2 total; Daniel Baslock, Yeqing Yuan)

Virginia Commonwealth University School of Social Work
Research for Social Work Practice I (MSW-level)
Research for Social Work Practice II (MSW-level)
Social Work, Social Welfare, Social Thought (PhD-level)
PhD Independent Study (2 total; Dalia El-Khoury, Chris Ward)

Columbia University School of Social Work
Adult Psychopathology & Wellness (MSW-level)
Seminar in Professional Identity (MSW-level)
Social Work Research I (MSW-level)

STUDENT MENTORING

Mentorship, Undergraduate Students

2016- Jessica Mar, NYU Steinhardt School of Culture, Education, and Human Development

Primary Mentor, Masters Students

2019 Krushika Pantakar, Research Assistant, NYU Silver School of Social Work

2018-2019 Khadija Israel, MSW Student Intern, NYU Silver School of Social Work

2017 Salvador Resendez, SARET Summer Fellow, NYU Silver School of Social Work

2017	Joseph Hudson, SARET Summer Fellow, NYU Silver School of Social Work
2016-2017	Michelle Holleran, MSW Student Intern, NYU Silver School of Social Work
2016	Michelle Holleran, SARET Summer Fellow, NYU Langone School of Medicine
2016	Alexandria Hatcher, NYU Silver School of Social Work
2015	Jun-Hong Chen, NYU Silver School of Social Work
2015	Leanne McCarron, SARET Summer Fellow, NYU
2014-2015	Genevieve Lalanne, Columbia University School of Public Health
2014	Catherine Nichols, VCU School of Social Work
	Francesca Teixeira, VCU School of Social Work
	Joy Joyner, VCU School of Social Work
2012-2013	Felicia Gonzalez, VCU School of Social Work
2012	David Rieker, VCU School of Social Work
2011	Mikeya Stovall, VCU School of Social Work

Primary Mentor, DSW Students

2020-2022	Celena Chong, NYU Silver School of Social Work
2020-2022	Alana Pudalov, NYU Silver School of Social Work
2020-2022	Brian Zampella, NYU Silver School of Social Work
2019-2022	Melissa Almenas, NYU Silver School of Social Work
2019-2022	Rebecca Rio, NYU Silver School of Social Work
2019-2020	Jessica Chock-Goldman, NYU Silver School of Social Work
2018-2020	Leslie Peña-Sullivan, NYU Silver School of Social Work

Primary Mentor, PhD Students

2023-	Shekh Farid, UConn School of Social Work
2020-2022	Khadija Israel, NYU Silver School of Social Work
2019-2022	Cora De Leon, NYU Silver School of Social Work
2018-2021	Yohansa Fernandez, NYU Silver School of Social Work
2017-2022	Laura Curran, NYU Silver School of Social Work
2016-	Laura Esquivel, NYU Silver School of Social Work
2016-2017	Kyle O'Brien, NYU Silver School of Social Work
2015-2022	Yeqing Yuan, NYU Silver School of Social Work
2013-2014	Mary Stebbins, VCU School of Social Work
2013-2014	Lauren Peasley, VCU School of Social Work
2013-2014	Dalia El-Khoury, VCU School of Social Work
2012	Christopher Ward, VCU School of Social Work
